SCRAP BOOK

20TH ANNIVERSARY REUNION JUNE 1961

PAUL Ludlow

16 March 1961

Dear Mrs. Pittman,

Your very kind and thoughtful invitation to attend the reunion of the graduates of Coronado High School, class of 1941, has been received with much enthusiasm, indeed. While I can assure you that I am most interested in renewing ole acquaintance with my classmates, I regret that being stationed here in Germany precludes me from accepting your invitation. However, as I will be returning to the United States next March, and very possibly I will be stationed somewhere in California for the remaining one year I will have to serve before I can apply for retirement, please keep me in mind for any reunion planned for next year.

Has it really been twenty years since we graduated from Coronado High School? With fond rememberance of the best days of my life, it seems like it was only yesterday when I left the cherished halls of "C.H.S."

Since I am of the opinion that you and other classmates, associates and friends might be interested to know about some of the places I have been and the things I have done since I left dear ole "C.H.S.", here is a resume of same: I entered the Army as a Private in November of 1942 and I worked my way up through the ranks to my present grade as a Chief Warrant Officer. I am the Legal Officer of the unit to which I am assigned. My location here in Germany is in the very small city of Kirchheimbolanden, a distance of approximately 45 miles from Weisbaden and approximately 55 miles from Heidelberg. This is my second tour of duty here in Germany. My first tour over here was during the years 1955-58 when I was the Administrative Officer of the Information and Education Division at Headquarters, United States Army, Europe, which is located at Heidelberg. My travels throughout the world for the past eighteen years have included China, Burma, India, Japan, Austrailia, Hawaii, Phillipine Islands, Okinawa, Guam, France, England, Belgium, Italy, Spain, Denmark, Holland, Sweden, and Austria. I have also been "behind the Iron Curtain". That was in 1957 when I went on a tour of East Berlin. That was an experience I shall never forget. Not until more Americans have actually seen the living conditions "behind the Iron Curtain" can they really appreciate how fortunate we are to be Americans.

March 7, 1961

DEAR GRADUATE OF THE CLASS OF 1941 --

Admit it or not, it has been 20 years since you graduated from Coronado High School. We think the time has come for us to have a reunion. Don't you?

Of the 87 graduates in our class, we believe, with your help, we will be able to contact about 75% of them.

Our wish is to have you all attend, but due to this ever changing community there are many who live abroad, in other States, or in other California cities. If it is impossible for you to be here, it would be wonderful to hear from you anyway.

Our future plans depend on the response to these letters, so would you please fill out the enclosed data sheet and return it by April 1, 1961.

Yours truly,

Betty Gene (Henderson) Pittman, Bud Ingle and Fritz Sandermann
667 J Ave., Coronado 18, Calif.

PLEASE RETURN THIS BY APRIL 1, 1961

To: Mrs. S. R. Pittman, 667 J Ave., Coronado 18, Calif.

(✓) I would be interested in attending the reunion in Coronado around the end of June.
( ) Sorry, I can't make it.
( ) Sorry, I can't make it, but I'd like any of the information that you can compile about Alumni.

Fritz Sandermann 409 "E" Ave.
Name Address

(✓) Married ( ) Single ( ) Widowed

My wife/husband is from (City, State) Rabid City, South Dakota

My wife's name was Mary Bertolero

My occupation structural engineer

Children? Boys ( ) Girls (2) Write names and ages on back of this page. Send a picture of you and your family, if possible.

Names and addresses of any other 1941 grads that you may have:

_____

_____

_____

_____

Dear Vernon — For our "info" would you send us your children's names & ages, your wife's name & your occupation — so we can pass it along to others. Thanks. Hope to see you at the reunion! Betty Gene.

CORONADO HIGH SCHOOL REUNION

CLASS OF 1941.

.75 per child (12 and under).

Please add your total and send your share on or before May 15th. to:

Betty Gene Pittman
667 J Ave.
Coronado, Calif.

PLEASE SEND THIS "COUPON" BACK!

- -

Enclosed $_____.

For: Food for _____ adults and _____ children

Rental _____

Name _____

Date _____

Dear Betty Gene:

It now seems certain that we will be moving to our new address in Poway during the week of the reunion. With all the last minute packing and such that we have to do I'm afraid we won't be able to attend. I'm really very sorry, for I would certainly like to see all. Vernon

Due to a limited response we find it necessary to cancel the originally planned reunion. However the Pittmans, Sandermanns & the Ingles are planning a family picnic on Sat. June 24 at 11 A.M. We will be on the bay side of the Silver Strand State Park (4 miles south of the Coronado business district). Look for the green & white streamers. Please bring your own food & beverage.

Sincerely,

Betty Gene

August, 1961

Hi!

Our class reunion on Saturday, June 24, at the Silver Strand State Park, was successful. We hope the next one will be even better attended, although no date was set for a future reunion.

Those who attended were: Leo Dollar, Kenny Kiefer, Midori Koba, Mieko Hatada, Enid Ball, Leona and Mary Omar, Harry and Louise (Beasley) Galpin, Anne Beasley, Laura Jane York, Martha Kiefer, Connie McCord, Art and Rosemary (Scoffield) Blaisdell, Bud Ingle, Fritz Sandermann and myself, and our families, and Mr. and Mrs. Swan, and Mr. and Mrs. Shoemaker, and Mr. and Mrs. Neidermeyer and their daughter. A total of 69 men, women and children.

Here is the address-information list we promised. If any of you know any information or addresses that I haven't included (or if you move), please send it on to me for future use. We sure would like to "track down" the rest of our class.

As you know we have no treasury, but we've been spending money on postage, stencils, paper, etc. So, if you feel you can help out, we'd certainly appreciate a one dollar donation.

I have enjoyed every minute I've spent "working" on this "project." It's been fun hearing from you. I'm planning to put all the pictures and letters into a scrapbook -- to show at our next reunion!

Sincerely,

Betty Gene

ADDRESSES of 1941 CHS GRADUATES

Hi!

Our class reunion on Saturday, June 24, at the Silver Strand State Park, was successful. We hope the next one will be even better attended, although no date was set for a future reunion.

Those who attended were: Leo Dollar, Kenny Kiefer, Midori Koba, Mieko Hatada, Enid Ball, Leona and Mary Omar, Harry and Louise (Beasley) Galpin, Anne Beasley, Laura Jane York, Martha Kiefer, Connie McCord, Art and Rosemary (Scoffield) Blaisdell, Bud Ingle, Fritz Sandermann and myself, and our families, and Mr. and Mrs. Swan, and Mr. and Mrs. Shoemaker, and Mr. and Mrs. Neidermeyer and their daughter. A total of 69 men, women and children.

Here is the address-information list we promised. If any of you know any information or addresses that I haven't included (or if you move), please send it on to me for future use. We sure would like to "track down" the rest of our class.

As you know we have no treasury, but we've been spending money on postage, stencils, paper, etc. So, if you feel you can help out, we'd certainly appreciate a one dollar donation.

I have enjoyed every minute I've spent "working" on this "project." It's been fun hearing from you. I'm planning to put all the pictures and letters into a scrapbook -- to show at our next reunion!

Sincerely,

Betty Gene

OMAR, Leona
Mrs. Robert Athearn, 115 Frankfort St., Daly City, Calif.
Husband's occupation: Telephone Co. -- in charge of directory distribution in San Francisco area.
Husband's hometown: Colusa, Calif.

Thursday
June 22, 1961

Dear Betty Gene:

I am so sorry to rush this to you at the very last minute. I thought I had sent the information in ages ago. I just ran across the papers while cleaning my desk.

The picture is best I can do at this late date — have lots of slides and movies but of course they will not do. Our pride and joy, Christopher came along after we had been married ten years — April 20, 1960 — Now, number two is on the way — due on or about December 5. Needless to say, we are very happy — even this late in the game.

Nancy Dunaway is the only one of the group I have stayed in contact with over the years.

Hope Saturday is a big success. Will be thinking of all of you — Sincerely

Virginia

ED BREZINA

Major Edward S. Brezina
C/o Armed Forces Inst. of
Pathology
Washington 25., D. C.

1 June 61

Dear Betty Gene,

Please forgive the delay---I postponed about every activity I could so that I could do some "cramming"for some final exams.

Yes, I am still a student---at least up til now. Perhaps I will find I just can't take the time to finish, but I do hope to complete a course in Law at George Washington Law School, here in Washington D.C..

At the present time I am a Major in the Air Force, assigned to the Armed Forces Institute of Pathology, Washington D.C., At the A.F.I.P. I am assigned to the American Registry of Pathology, with duties primarily concerned with training ----developing pathology training material for other specialties as well as my own.

I was lucky enough to make it through Medical School at U.S.C., and complete my boards in Pathology in 1957. It would be nice to have in addition that Law Degree. The reason I am harping on the subject is probably because I took my last "final" this evening in contracts-----20 units out of 80 out of the way toward graduation!

My wife, whom I met while in Medical School at USC had as Maiden name, Wanda Charleen MacGregor, residing in Alhambra California. We were married at Riverside Mission Inn, on 29 June, 1946, just before I graduated from Medical School----June 1947. We have been in Washington State, where our oldes boy Frank was born, at Madigan Army Hospital on 13 December 1948. Then overseas for me because of the Korean War, where I was assigned to Okinawa, then the youngest boy was born, Edward S. Jr, at Camp Pendleton, Calif, 29 April 1951. On Return from overseas We spent about a year at Lackland AFB, then we returned to the west coast, where we lived in the San Francisco Area for 4 years, from 1 July 53 to 1 July 57, while I took my residency in Pathology. Thence to Gunter AFB, Montgomery Ala, were I was in charge of the School for Medical Laboratory, of the USAF Medical Service School, and now, as of 1 July, more or less ---here to Washington D.C. So that is the complete breqk down. My wife is presently teaching school at Potomac, Maryland---just near D.C., Frank M. is in 7th grade, and Edward S. Jr, is in 5th.

Sorry I know nothing about anyone in the area. And, unfortunately, cant get down to Coronado---it is a long, long way!

Best of luck, Sincerely, Edward S Brezina MD

ED BREZINA

ANN Dickey ANN DICKEY
Mrs. R.D. McCrary
1175 Cakon ST.
Honolulu 18,
Hawaii

Dear Betty Gene,

I am sorry to have taken so long to answer your letters. There is no excuse to offer other than the ever increasing rate of passing time, but had I been where I could have gotten to the reunion, I surely would have let you know I was coming.

It is a shame that you had so little response to your plans that you had to cancel them. I am sure that you, Bud and Fritz spent many hours making plans and doing the legwork. I have no idea how many of the class are in the San Diego area, but it does seem that there must be enough to make up a good picnic!

The last twenty years have certainly melted away and it doesn't really seem that long since we all departed the halls of dear old C.H.S. I am glad I was not there to see it being knocked to the ground although I am sure the building that will replace it will be far more adequate for the present day generation.

Bob is stationed on the staff at the Commander Service Forces Pacific and has until November or December to go on his tour. After that we are hoping to return to Coronado for duty. If this does not materialize then he is hoping to get another tour out here in programming some large computer machines now being installed in the underground tunnel where the Admirals retreat in time of atomic attack. At any rate we will be leaving the service when his 20 years are up in 1964 and we are planning to return to Coronado at that time.

We have three children; a son, Shannon, who is a Junior in high school and spends every free moment riding a surfboard and constantly agitation for permission to get a drivers license... fifteen is the legal age limit out here....horrors!! We also have two daughters ; Mandy is fourteen and entering high school this fall, and Susan who is seven and enters second grade.

The only classmate that is out here that I know of is Bob Crawford and I haven't ever run into him. I do know that he is skipper of the submarine Growler.

Hawaii is a delightful place to live, and I shall hate to leave when the time comes. The school situation beyone the sixth grade is most unsatisfactory however and we have to send the two older children to private school. It is an excellent school, but unfortunately rather expensive and this is the only part about leaving that will not bother me!! If you hear of any old friends that may be planning a trip out to these parts, please have them look us up and we'll give them a tour or two while they're here; we'd love to see anyone that comes this way.

Bob joins me in a fond "Aloha" for anyone that comes to the picnic, and believe me when I say I truly wish we could be there too. Our best to the Ingles and the Sandermans. Hope you have made great progress in your recovery Betty Gene, you are a remarkable gal and my hat is off to you.

Devotedly,

Ann McCrary

Good luck hope there is a big turn out.

Sincerely

(Mrs. Charles) Virginia Mac Lean

Dear Betty Gene,

I admit that I had not thought of it as being 20 years since we have graduated from C.H.S. I'm not sure I should be thankful to you, Bud, and Ritz for reminding me of it, but I do thank you all for undertaking the job you have started.

You know it seems funny but I can't remember meeting you since the war, Bud or Ritz either. I always meet and talk to Rosemary and/or Art when I get back to Coronado and several others. I had my oldest daughter in the 2nd grade there for two weeks in the Fall of '59. On the day I took her there I stopped in and talked to Mr. Schaeffer (sp?) and Mr. Burge. They don't seem to have changed at all.

If you have written to Mildred, I'm sure she will answer and give you the dope from her family.

The enclosed picture was taken in 1958 and as we are all 3 years older now and in my case look it.

Good luck and best wishes to you all in the task you have set out to do.

Sincerely,
Bill Masek

May 31, 1961

Dear Betty Gene,

Please forgive me for not writing sooner, but with four kids, a tonsillectomy, the end of school and school projects, things have a tendency to slip my mind. I dare say old age is rapidly approaching!

I doubt very much we could have made the reunion as previously planned - and likewise, it's doubtful we will be able to make it to the family picnic - and the reason is the same for both - it happens to be my little daughter's fifth birthday. However, if she decides she would like a beach party for her birthday (the children usually choose the day's activities on their birthdays - if within reason) we may be able to drop by. I surely would like to see everyone, and to sort of catch-up on the news of good old CHS. Unfortunately, my mother doesn't get out very much in order to see or hear too much about those in the class of '41.

Last time I was in Coronado, I noticed that the High School has been torn down - it rather breaks my heart that those "hallowed halls", as we knew it, are gone forever.

In answer to your question about Larry's work - he's been a postal clerk in San Diego for almost 20 years, interrupted by service in the Army in Europe. At present he is at the Post Office in the U.S. Naval Hospital in Balboa Park.

I hope that I will be able to see you sometime when I'm in Coronado - if not at the picnic. Please say "hello" for me to everyone and I would really like a copy of a "newsletter" or whatever you plan to put out (if I could help in any way let me know).

Sincerely,

Jeanne

May 13, 1961

Dear Betty Gene,

I am sorry that I won't be able to make the reunion in June, but please give my best regards to everyone.

I'll be darned if I know where any of those "kids" you mentioned are. I do know that John Burhans and Thomas Brittain are naval officers and can be reached by addressing a letter as follows:

Name
Officer Locator Section
Bureau of Naval Personnel
Washington 25, D. C.

Please Forward

For the general information of my classmates I would like to announce that I am fed up with the East and we are moving to Santa Barbara this summer to live. I have resigned from the navy and will be working for General Motors as the head of the marine sciences section in their Sea Operations Department located in Santa Barbara. We would be pleased to hear from anyone who happens to be up that way.

I think the reunion is a good idea and if you put out some sort of 20 years after yearbook I would like to suggest the name, "Slightly Withered Poppy".

Best regards to all,

(Dr.) Scott C. Daubin

Dear Betty Jean,

As you probably know my husband resigned his commission in the Navy in 1953 & entered the Ministry. He is now a Presbyterian, U.S. minister in Bedford, Va.. We come to Coronado every other year to visit my parents – unfortunately we came last year & will come again in '62 but not in '61. I'm sorry to miss it but will be interested in seeing how many you are able to reach. The 5 I have listed are the only addresses I have of the class of '41 & you probably already have them but here they are anyway. Good luck & best wishes

Love
Mildred

P.S. I'm not sure all those I've listed graduated ~~from~~ in Coronado??

II

My last visit to Coronado was for 10 days last March when I visited my Mother prior to sailing to Europe. At that time I had the pleasure of playing a round of golf or two with Art Blaisdell. Also, at that time, I renewed acquaintances with Johnny Stager who was then visiting Art Blaisdell.

I am not presently married, but I am engaged. My fiance's name is Docotor Jessie Colson, and she is the professor of business administration at Morgan State College. Morgan State is a predominately Negro college located at Baltimore, Maryland.

Despite my many travels throughout the world I have yet to meet a 1941 graduate of Coronado High School. It is only on the occasions when I am home on leave visiting my Mother when I meet a few of the ole graduates and childhood acquaintances.

With best wishes to you and yours, and all of the graduates of the class of 1941, I am - - -

Sincerely,

Paul L. Ludlow

Dear Betty Gene:

Thanks an awful lot for the correspondence recently and I am sorry I have not answered your letter sooner. Your postcard of May 26th. disappointed me because I thought there were more of the Class of '41 living around that area.

I will be unable to make this year but will at the 30th reunion. It sure does not seem that long since we graduated from old CHS.

I occasionaly see Bud and his wife when we come to Coronado for the summer and have not seen Fritz for a long time. Give them both my love.

I hope your get-together is a successful one. Ask Bud and Fritz to drink up my share of the beer or whisky.

At the present time I am Chief of Medicine at Weimar Medical Center, Weimar, California, at which institution I have been since 1955. I also have my own practice in Auburn. Things are going well for all of us.

Helen and I were married in 1949 and now have three children. Johnnie is 12, Bobby is 10, Elizabeth Ann is 6. We plan to be in Coronado sometime within the months of August or the first of September.

Again, I am awfully sorry I cannot make it to the class reunion. Give my love to everybody and lets hear from you regarding who showed up, etc.

Sincerely,

John

Dear Betty Gene,

How nice that you are going to have a reunion. I would love to come, but a California trip won't be possible for us this year.

Howard's (Bac's) occupation is manager of the local Blue Cross - Blue Shield office. He is dodging brick-bats very agilely since the latest rate-change. I have no occupation, just loaf around. The kids are as follows: Heather, age 13; Joe, age 11; Christina, age 9; Cindy, age almost 6. They are all neurotic.

Fayetteville is the prettiest town I've ever seen. The University of Ark is there and the campus is picturesque and impressive. Population is 20,000 of which half are college students.

I know your pretty little girls are attractive young ladies by now. My son, Ken, is 5'10" & still growing. I was 5'8" in the Seventh Grade and towered above all the boys except Manuel.

West Fork, Arkansas

Dear Betty,

Enclosed is the class reunion form and two pictures. Certainly hope it turns out to be a huge success and is well attended. It was so nice to see yours and the other two names in print after so long. I can imagine how exciting it would be to see everyone in person! I have an aged Aunt in San Diego County, and we are her only living relatives, so by chance I might just have to trek to Calif. anytime if her health fails. So I would appreciate it if you can inform me when a meeting date is arrived at.

We moved to Ark. in Sept., 1960 and like it. After living in Calif. 35 years, the seasons are quite enchanting. We had never seen snow fall, nor the leaves turn. We are 8 mi. S. of Fayetteville (NW ARK), on "Owl Hollow" road, have a rock house and 47 beautiful, wild acres. Next to Coronado

Fayetteville is the prettiest town I've ever seen. The University of Ark is there and the campus is picturesque and impressive. Population is 20,000 of which half are college students.

I know your pretty little girls are attractive young ladies by now. My son, Ken, is 5'10" & still growing. I was 5'8" in the Seventh Grade and towered above all the boys except Manuel.

I do so hope that each day you are stronger, and one day your recovery will be complete.

My very best wishes to you, Bud and Fritz. "Arkie Annie"

Dear Betty Jane,

Thank you for your wonderful letter. I do appreciate the time you took to tell me about so many of our old friends and classmates. Reunion must have been great fun. Enclosed is a snapshot of the Dow family as we would have looked, had we been able to attend.

The only one on your list I've seen at all, was Mary Lou Miers in 1942. She went to Bryn Mawr and I heard, married a Navy flier from Atlanta. Her family home was in Washington and when I go there again I'll look them up. Ann Sherman who was with our class for some years, also lived in Washington where I last saw her in 43 or 44.

2. Ann married a Navy flier from New Mexico named Jack Fitzpatrick.

As for my own 20 years — I've been blessed with good health, happiness, a fine family, and a good bit of fun and excitement. Very unlucky at cards — but extremely lucky in my affair of the heart!

Cushman Dow is from New England. We were married May 23, 1942 in Washington D.C. He was at sea most of the war and I crossed the country many times to catch a glimpse of him. In between attended radio school, secretarial school, and worked for the Army.

With the end of the war we returned to Boston for Law school. Since everyone in Boston goes to school — so did I. Cambridge Graduate School for Girls!

3. Also had a Womens Radio program half an hour daily, and worked part time as a supervisor of the Arthur Murray Studio in Boston. Those were busy and fun years. After graduation we went to San Francisco where Cush practiced Law and I was Secretary to the President of "Helicopter Services of California".

In 1950 Jimmy was born and we built our first home in Palo Alto. Valerie was born in 1953. We enjoyed active community life in Palo Alto for ten years. My volunteer jobs included: 8 years secretary of American Cancer Society, P.T.A. President, Sunday school teaching, Cub Scout Den mother 2 years, official Score Keeper for Little League, waitress and cook 5 years (weekly, then monthly) at Allied Arts Guild which

HOTEL EASTON

EASTON, PA.

June 9

Dear Betty Gene -

You were certainly sweet to include me in your plans for the Coronado Class Reunion + I would have loved to see all our Class so much - but unfortunately we were planning our trip East - William, our son is graduating tomorrow from Lafayette College here at Easton + he will spend about a month in the East - in Washington and Rhode Island returning to Whittier about July 20th.

My husband Jerry is at the NTC San Diego in public relations for the Navy + we have 4 girls - Katie 14 (born Rhode Island), Patricia 13 (S. Virginia), Nancy 16, and Sarah Jane 2½ (Whittier) - so you can see I'm quite busy keeping the skirts over the knees of 4 rapidly growing gals - 2 will be in high school next year. Katie is our scholarship society student so far -

William is just 21 + majored in Economics, goes on to grad school at the Univ. of Pennsylvania in the fall - will be working in Whittier this summer then studying foreign commerce for 2 years.

July 6, 1961

Dear Betty Gene,

I think you are guilty of a gross understatement when you call our get together a "good reunion." As far as just plain enjoyment of old friends and renewing Auld Acquaintance are concerned, it was helluva fine reunion.

I think you deserve a medal for keeping the program rolling even after it became obvious a formal reunion was out of the question. We were quite disappointed with the first notice that the original plan had to be discarded, but the end result was thoroughly pleasing for us.

It is mighty pleasant to be able to return and enjoy the company of old friends, but it is made doubly so when the rest of the family can enjoy it as much. That was the case with our family. Pem had a fine time and was delighted with the friends she met. My boys had a full day and thoroughly enjoyed the contact with the youngsters they met there.

Vacation time is coming up for me, at least one week of it, this month. I will be in Coronado the week of July 16th to 22nd, am bringing my boys down for a week of fishing and sponging off the grandparents. So I will look you and Shelby up while I am there.

Yes, we have a VW, the Kombi model. I just recently yanked out my tinkered version of housekeeping equipment and replaced it with a camper kit. Brooks has grown too long for the rig I had built.

So now we have the folding bed, full width of the car, table, second seat and ice box unit. We have had the bus four years now, piled 63,000 plus miles on it, and made it work hard for its keep. We will never be without one. It is ideal for our purposes. We camp a lot and I use it hard in the hunting seasons too.

Pem did a first class job of sunburning herself too, even after having roasted herself no more than a month before when we were visiting friends at Newport.

Maybe it is a good thing for some of us that there was not too big a showing at the reunion. It kept wives from checking with old flames, and vice versa.

I'll have to see the pictures. They may be the kind I would want kept uncirculated. Idid not make any shots myself because that is part of the way I make my living. I was the first of the combination men on the Fresno Bee, working as reporter and photographer on the same assignment. Since I signed on, and the brass found how cheaply we could scab the job, I have trained one more and am in process of training another for my farm section.

There is only one drawback to fitting your hobby into your vocation: it soon becomes your former hobby. As a consequence, I rarely shoot stills for my own hobby interest. My recreational picture work is limited now to movies and large camera work with a commercial view job.

Look for a visit from me during the week I am in Coronado.

Nostalgically,

Leo Leo

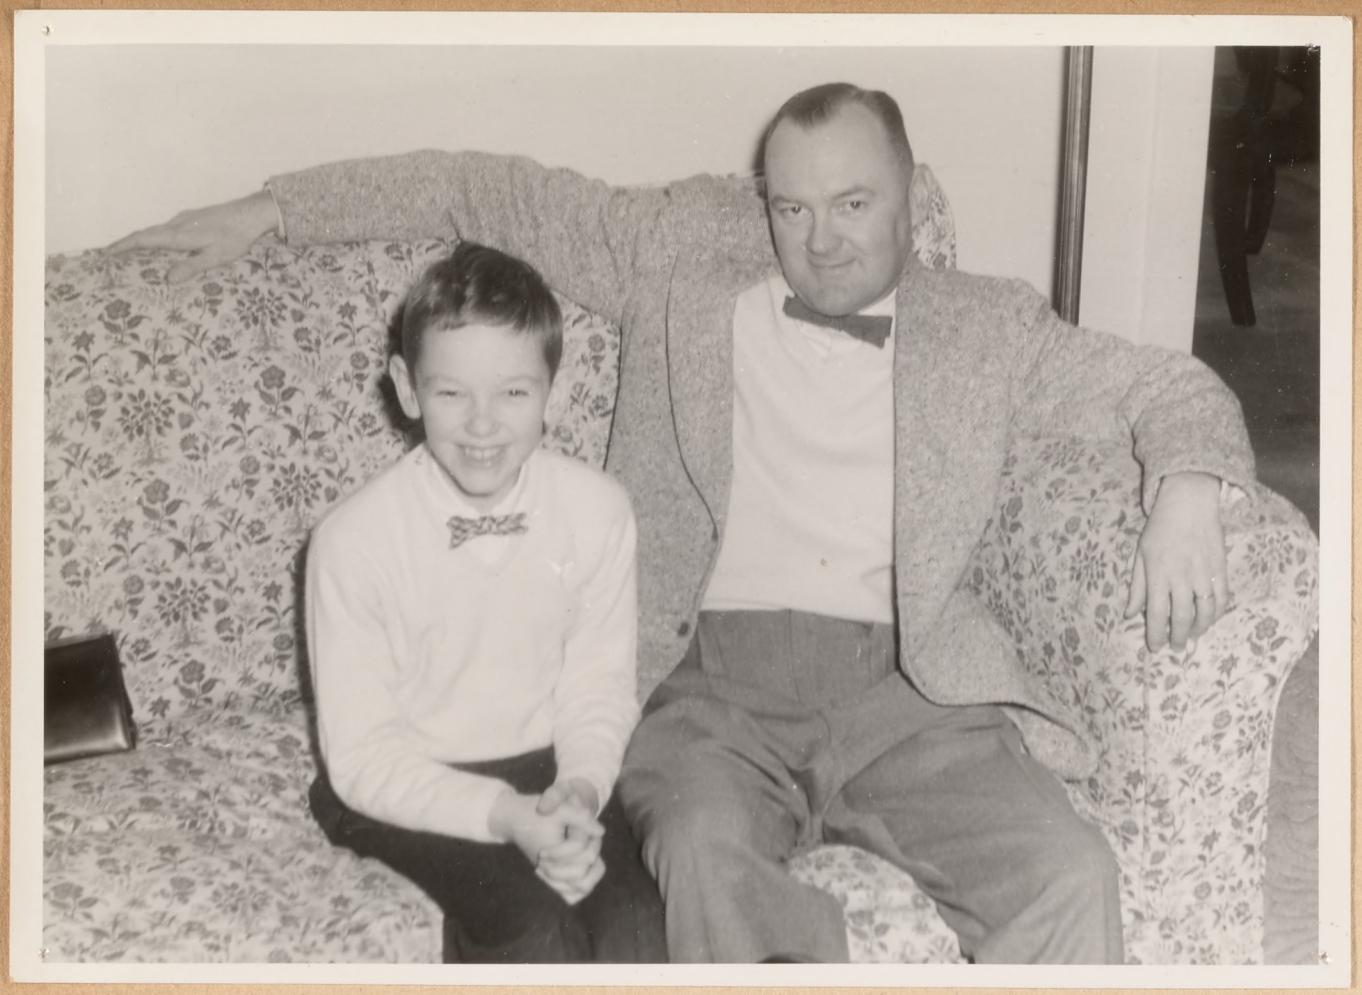
Fred Dickey – 20 years ago!



Hobie + Fred Dickey

Barbara + Hobie Dickey

I have one son, Hobart B. Dickey, will be 13 years old in July.

Would certainly like to attend, but as I have purchased a new house and will be moving in on the 1st of July, I am afraid that I can't make it. However I plan to be in Coronado in the fall and will look forward to seeing those who are around at that time.

I have been with Johns-Manville for 13 years.During this time I have been a junior salesmen in Champaign, Ill. , Senior Salesmen in Mason City, Iowa, District ~~Architectural~~ Architectural eng. Two ago years the company went into the "pipeline wrapping" business, I became responsible for the sales of these products in the midwest, handle 10 states, Ill, Iowa,N.D.,S.D.,Minn, Wisc.,Ind.,Mo.,Key., and part of Mich.

Two years ago completed 20 years satisfactory service in the Naval Reserve, if I make it to 60 will collect a pension.

If you are interested in pictures, let me know. I have quite a few that were taken while in Coronado High. Have the negatives, will be glad to furnish prints. Have my own darkroom in my basement.

After the 1st on July my new address will be 2244 Center Street, Northbrook, Ill. Would be most interested to here from anyone who ever gets in this part of the country.

Fred Dickey

Fred Dickey

P.S.

I am inclosing some pictures that I printed this afternoon, as you people can see, there have been a "few" changes in the past 20 years.

You wonder where the time has gone, so fast.

If you should hold the reunion in early June, let me know, I might be able to get a plane from Glenview and be there. Also would you send me Bud Engles address. I s Stanley Norris still around Coronado? What has ever become of Connie McCord? How about Art Dewar, I understand that his sister is still there. John Mathewson, understand he is a Doctor.

DEAR GRADUATE OF THE CLASS OF 1941 --

Admit it or not, it has been 20 years since you graduated from Coronado High School. We think the time has come for us to have a reunion. Don't you?

Of the 87 graduates in our class, we believe, with your help, we will be able to contact about 75% of them.

Our wish is to have you all attend, but due to this ever changing community there are many who live abroad, in other States, or in other California cities. If it is impossible for you to be here, it would be wonderful to hear from you anyway.

Our future plans depend on the response to these letters, so would you please fill out the enclosed data sheet and return it by April 1, 1961.

Yours truly,

Betty Gene (Henderson) Pittman, Bud Ingle and Fritz Sandermann
667 J Ave., Coronado 18, Calif.

PLEASE RETURN THIS BY APRIL 1, 1961

To: Mrs. S. R. Pittman, 667 J Ave., Coronado 18, Calif.

( ) I would be interested in attending the reunion in Coronado around the end of June.
(X) Sorry, I can't make it.

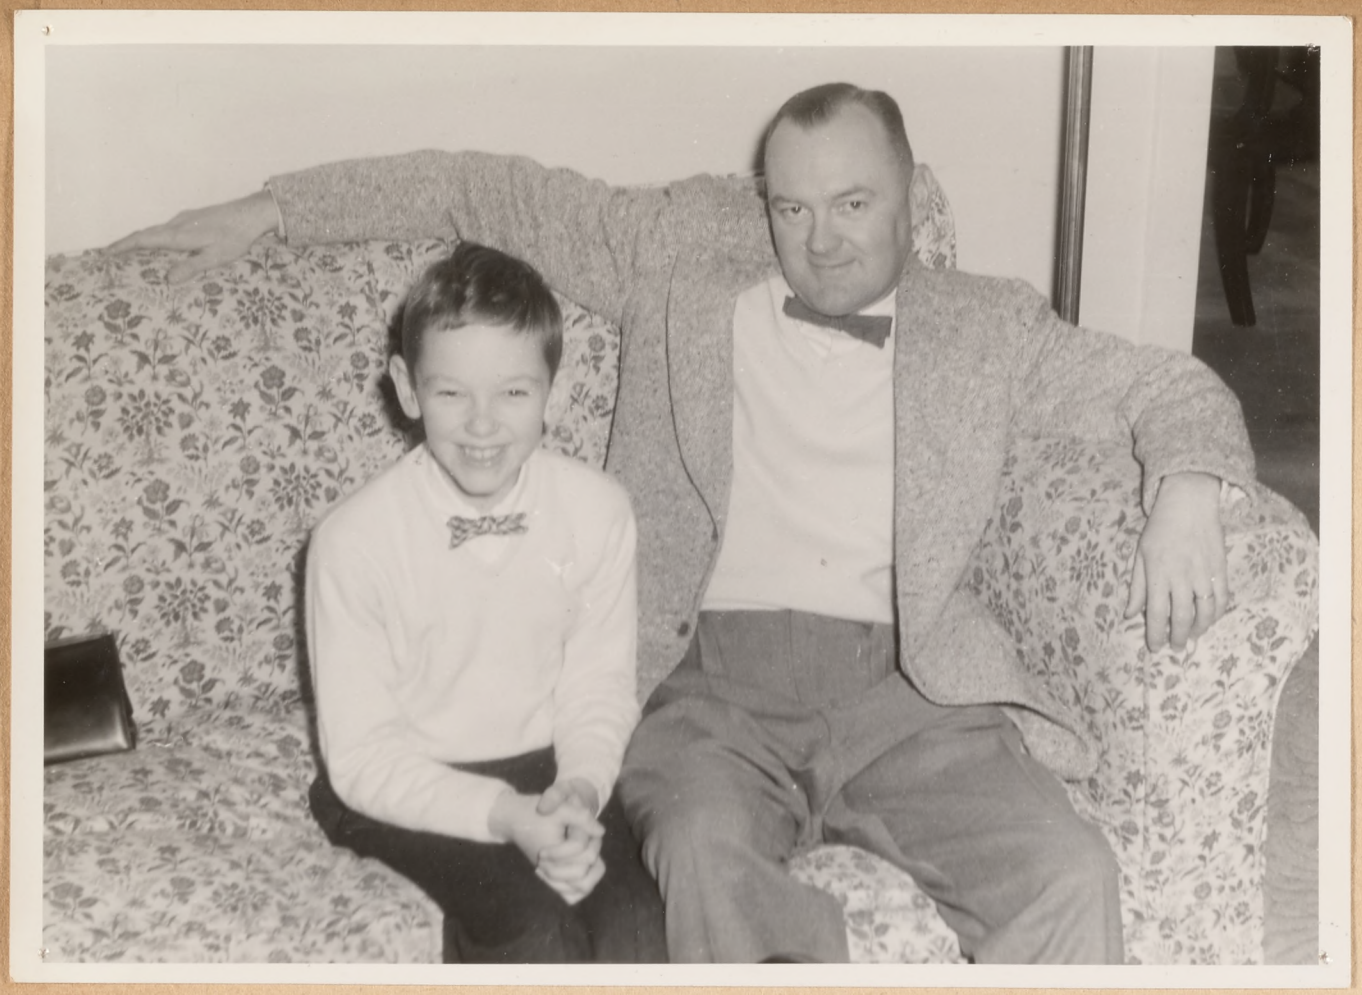
Dear Betty:

Expect that you have given up on hearing from me before the reunion, sorry not to have answered your last letter sooner, but I have been on the go quite a bit for the last month, I am responsible for ten states, so I don't stand still to long. For those that might be interested I handel the following states, Illinois, Iowa, Indania, North Dka.,South Dak.,Minn.,Wisc.,Kentucky,Missouri,part of Mich.

Am inclosing some picturesttthat I think will carry those that are there back a few years, sorry that they are not better, but they are quite old, also the negatives were not taken care of like they should have been, certainly would like to be there to hear what is said as they gaze upon them and recall what took place years ago. I am inclosing a picture of my wife and sbn and also one of my boy and myself, as you can see by my picture, the years have been rather good to me, have lost some hair,(who hasn't), but as far as weight goes, I am a "trim 160 lbs." Just good healthy living does it. WIFE - Barbara; SON - HOBART (Hobie) - 13yrs.

Now to, "Uncle Roy" Burge, my best regards, tell him I still can't spell, and that if I didn't have a very good secretary that I don't know what I would do, he might be interested to know that I have just written an article for the "American Aviation Historical Society" that is going to be published next month, so I guess that his teaching me English all of those years was not wasted, As for "Shoie" (Mr. Shoemaker) I still cantadd, how I ever found my way around the Pacific in an air plane when I had to navigate is still a big mystery to me, don't know what I am going to do when my son startes in on Algebra and geomerty, as far as ~~KEEH~~ coach Neidermyer goes, I don't think I know a better one, I go down to the football field to watch the boys work out, but thye don't seem to put as much into it as they use to. Must say that there are times that I would like to turn the clock back to those carefree days that we all had at Coronado High School, I don't think that any of us realized at that time what was ahead of us. I know for a fact that none of realized how lucky we were in the teachers that we had, with out a doubt they were all exeellent, we were all very fortunate in going to a small school where we got to know our teachers, where our high school has over 2300 students, the class that just graduated had 436 in it, Coronado High had only a little over 500 in the whole school, everyone knew everyone else in school.

I plan to be in Coronado sometime in the Fall, would like very much to be there on the 24th, but am going to be busy moving into a new house that day. I would like to suggest that you plan to have a 25th reunion, I for one will be there.



Hobie + Fred Dickey

Barbara + Hobie Dickey

With reference to the pictures, do what ever you want to with them, it maybe that some of those who are there may want them, if so let them have them.

I will be most interested in hearing how it goes, also a list of those who attend, also I would like to know what some of the fellows are doing for themselves, I know that Harry is still in the Air Force, but what about Leo,Graham Scott,Stan Gurney,Fritz.

If at any time any of you get back to this part of the country be sure and give me a call. At present my address is 2567 Walter Ave, Northbrook,Ill., however after the 1st of July my new address will be 2244 Center Street, Northbrook, Ill.,phone is CR2-1645.

Best regards to all,

Fred

Fred Dickey

As to what has happen to me since I left C.H.S.

Left active duty in the Navy in Oct 1947 Have been with Johns-Manville for 13 years, have live in Champaign, Ill, Mason City Iowa, have been back in Chicago for the last 5 years.

At present time I am responsible for the sales of Anti-corrosion materials to the Natural Gas Industry and also the Oil business (lines)

20-year-old (at least) pictures Fred Dickey sent for the Reunion

Dear Betty Gene -

You will probably wonder at the delay in the reply to your letter to Mother - she is in England and so I forwarded your letter to her - she has just returned it and asked that I reply. Harry's address is: Major H. T. Galpin, 479th A & E Maintenance Squadron, P. O. Box 8, George Air Force Base, Calif. We live in Encinitas - 172 La Mesa Ave. When Mother sold her home in Chula Vista she was able to buy the lot next door to us so built a home there - which has been wonderful for me. As you may know, my brother, Jim, was killed in a plane accident over the Mediterranean in June. Mother had planned to go to England while he was stationed there and, after the accident, decided to go anyway - it has been wonderful for her - she has been there since August and will be home sometime in May. I am pleased to know you are getting along so well and hope I find time soon to stop by and say hello.

Sincerely Anne M. Burke

Dynamics Fills Post

H. Cushman Dow, former chief counsel for the Pacific Telephone Co. in Sacramento, has been named to the newly created post of chief counsel of General Dynamics - Astronautics, it was reported yesterday.

Dow

Dow, who is a Harvard Law School graduate and World War II Navy veteran, has been associated with the law firm of Pillsbury, Madison and Sutro of San Francisco.

He served as general attorney for Western Pacific Railroad before joining Pacific Telephone.

Dow, 42, was an undergraduate at Yale University, served as a gunnery officer aboard the cruisers Atlanta and Cleveland in the South Pacific in World War II, and received his law degree from Harvard in 1948. He and his family will establish residence in San Diego.

MR. AND MRS. MONTE NEIL KIRVEN

Miss Valerie Ann Christian now Mrs. Monte Neil Kirven

At mass in the Catholic Chapel at North Island, Miss Valerie Ann Christian spoke wedding vows with Monte Neil Kirven, Saturday morning, Oct. 21, with The Reverend Bernard Farrell officiating at a double ring ceremony. Miss Christian was given in marriage by her Godfather, H. Trench Vultee, Jr.

The bride wore a white peau de soie gown with three-quarter length sleeves, the bateau neckline beaded with seed pearls over alecon lace. Her illusion veil was secured by a looped coronet of pearls, and her bouquet was stephanotis centered with gardenias.

Maid of honor, Miss Anna Boccacio, was dressed in a white brocade sheath, with matching jacket, trimmed in white mink, carrying a bouquet of white carnations and stephanotis.

Lt. Michael McKee, USNR, served the bridegroom as best man.

Following the ceremony a champagne brunch was held in the Carrier Room of the Officers' Club. In the reception was her mother, Mrs. Laura Weyler Christian, and her grandfather, VAdm. George L. Weyler, USN, ret.

The bride will finish her senior year at the University of San Diego, College for Women.

Kirven, grandson of Mrs. Marie G. Cooke of Coronado, was graduated from the University of Mississippi and is now with the Scripps Institute of Oceanogpraphy as a biologist..

Following a brief honeymoon in San Francisco, the couple will reside at 324 C avenue.

MR. AND MRS. MONTE NEIL KIRVEN

Miss Valerie Ann Christian now Mrs. Monte Neil Kirven

At mass in the Catholic Chapel at North Island, Miss Valerie Ann Christian spoke wedding vows with Monte Neil Kirven, Saturday morning, Oct. 21, with The Reverend Bernard Farrell officiating at a double ring ceremony. Miss Christian was given in marriage by her Godfather, H. Trench Vultee, Jr.

The bride wore a white peau de soie gown with three-quarter length sleeves, the bateau neckline beaded with seed pearls over alecon lace. Her illusion veil was secured by a looped coronet of pearls, and her bouquet was stephanotis centered with gardenias.

Maid of honor, Miss Anna Boccacio, was dressed in a white brocade sheath, with matching jacket, trimmed in white mink, carrying a bouquet of white carnations and stephanotis.

Lt. Michael McKee, USNR, served the bridegroom as best man.

Following the ceremony a champagne brunch was held in the Carrier Room of the Officers' Club. In the reception was her mother, Mrs. Laura Weyler Christian, and her grandfather, VAdm. George L. Weyler, USN, ret.

The bride will finish her senior year at the University of San Diego, College for Women.

Kirven, grandson of Mrs. Marie G. Cooke of Coronado, was graduated from the University of Mississippi and is now with the Scripps Institute of Oceanogpraphy as a biologist..

Following a brief honeymoon in San Francisco, the couple will reside at 324 C avenue.

Dear Betty Gene -

You will probably wonder at the delay in the reply to your letter to Mother - she is in England and so I forwarded your letter to her - she has just returned it and asked that I reply. Harry's address is: Major H. T. Galpin, 479th A & E Maintenance Squadron, P. O. Box 8, George Air Force Base, Calif. We live in Encinitas - 172 La Mesa Ave. When Mother sold her home in Chula Vista she was able to buy the lot next door to us so built a home there - which has been wonderful for me. As you may know, my brother, Jim, was killed in a plane accident over the Mediterranean in June. Mother had planned to go to England while he was stationed there and, after the accident, decided to go anyway - it has been wonderful for her - she has been there since August and will be home sometime in May. I am pleased to know you are getting along so well and hope I find time soon to stop by and say hello.

Sincerely Anne M. Burke

Dear Betty Gene,

I am very sorry I did not writ you sooner. I just didn't take the time. I really enjoyed hearing from you and reading all about the class of 41. You did a wonderfull job and went through a lot of trouble and time to write all of us.

My family was looking forward to join in at the reunion but I work that day. I'm sorry we had to miss out. I heard everyone had a grand time.

HOSPITAL VOLUNTEERS

Debut Set For 37 At Harvest Ball

By BEVERLY BEYETTE

These debutantes will not be spending their time at tea parties. They will give it instead to help others.

They are this year's presentees of the Grossmont Hospital Women's Auxiliary and they will make their bow at the auxiliary's ninth annual Harvest Ball Oct. 13.

Although the Harvest Ball, to be held in the ballroom of Hotel del Coronado, will be a major social event in itself, the 37 debutantes are not being presented to society.

Each has given a minimum of 50 hours of volunteer service at Grossmont Hospital—and each has pledged herself to serve as a hospital volunteer for one year after her presentation.

All are high school seniors and daughters of Auxiliary members, both requirements for presentation as a provisional. Among them they have served 3,000 hours at the hospital.

28 September 1962

Dear Betty Gene,

Thanks for your kind inquiry about CHS class of '41. Yes, I am one of your missing seventeen. My family and I are now living at 1718 Visalia Row, the same house that I called home during those high school days.

As you can see from the letterhead I am in the Navy, a Commander, and presently command VF-143 an F4H-1 "Phantom II" interceptor squadron. My next duty will be aboard USS KITTY HAWK which is presently deployed to the Far East. I will be back in the spring, however, so will be able to attend a class reunion this summer.

The answers to your other questions are:

1. Married to Georgia Schirra Burhans, sister of Wally Schirra, astronaut.

2. Children:

Cindy	age 13	(CHS class of '66)
Bill	age 11	Coronado elementary
Bob	age 5½	Kindegarten

I would enjoy looking over your list of graduates.

HOSPITAL VOLUNTEERS

Debut Set For 37 At Harvest Ball

By BEVERLY BEYETTE

These debutantes will not be spending their time at tea parties. They will give it instead to help others.

They are this year's presentees of the Grossmont Hospital Women's Auxiliary and they will make their bow at the auxiliary's ninth annual Harvest Ball Oct. 13.

Although the Harvest Ball, to be held in the ballroom of Hotel del Coronado, will be a major social event in itself, the 37 debutantes are not being presented to society.

Each has given a minimum of 50 hours of volunteer service at Grossmont Hospital—and each has pledged herself to serve as a hospital volunteer for one year after her presentation.

All are high school seniors and daughters of Auxiliary members, both requirements for presentation as a provisional. Among them they have served 3,000 hours at the hospital.

Lenora Worden (daughter of Stewart Worden)

Horse Killed As Trailer Breaks Loose, Crashes

7/15/63

GROSSMONT — One of three horses in a trailer being towed was killed yesterday when the trailer broke loose from the car, rolled across U.S. 80 freeway just east of here and crashed into an embankment.

The California Highway Patrol said the horse suffered a broken neck when the trailer hit the embankment. The other animals were cut and bruised.

Patrolman George Moise said the horses were owned by Mrs. Arleen G. Niedermeyer, 49, of 4242 Black Mountain Road, La Mesa, who was driving the car.

Moise said Mrs. Niedermeyer was making a slight turn on the freeway when the trailer began to swerve and whip from side to side. It broke away from the auto and rolled across the freeway into the embankment, he said.

Mrs. Niedermeyer said she was taking the animals to a horse show at Flinn Springs.

We so admired the tremendous job you did on the reunion and the class information list. Sorry we couldn't make the reunion - Didi was out of town that weekend.

Here, belatedly, is our donation toward the expenses. We've certainly referred to the list a lot and are grateful to you for your efforts.

COMMANDING OFFICER
HEAVY ATTACK SQUADRON THREE
U. S. NAVAL AIR STATION
SANFORD, FLORIDA

Dear Betty Gene

Received your letter yesterday and was certainly happy to hear from one of the old gang again.

I'm still here in Florida (not as nice as California) and should be here until next January. I'm skipper of the Heavy Attack training squadron which trains pilots, bombardiers, and maintenance men for the fleet Heavy Attack squadrons. We fly the A5 Vigilante and the A3 Skywarrior.

Nothing much new has happened in the last two years, not even any new children in the Farmer household. We still have our eight – six boys and two girls. Their ages run from 16 to three.

I was in Coronado about a month ago for a couple of days and did get to see a few people.

Patrolman George Moise horse show at Flinn Springs.

Dear Betty Gene,

It was so nice to recieve your birthday greeting and newsy letter. I am debating if I should do as Jack Benny - this was my 39th and perhaps I'll remain that for a few years. The only problem is - no one would believe me so I guess I won't fight it! Anyway my kids would tell on me.

We're hiding tonie lately - Tom's ship went to Puerto Rico in February and are due back next Saturday which makes us all happy. It seems the longer we are married the harder it gets to be separated. But he'll be home the rest of the summer. They go to the Med in October for a 5 month cruise & I may save my pennies & visit him for a bit over there.

Norfolk is beginning to be really

nice now. Spring has been with us for a few weeks and the crocus, hyacinths, jonquils, camellias forsythia spirea, peach & pear trees are blooming the heads off. The trees are turning green. It is so nice after a very cold & miserable winter. It is a lovely time of year - today I noticed a tulip in bloom in the patio.

The children are fine & have found many friends here. We live 2 blocks from the junior hi where Susan (8th) & Margy (7th) go. They have tennis courts there & they are active in many things. Tommy (3rd) & Barby (6th) go to an elementary school which is also 2 blocks away in another direction. Our church is also 2 blocks away so you see it is an ideal location - I don't have to haul them everywhere.

I keep busy with this house

CHS elects Raul Perez

RAUL PEREZ

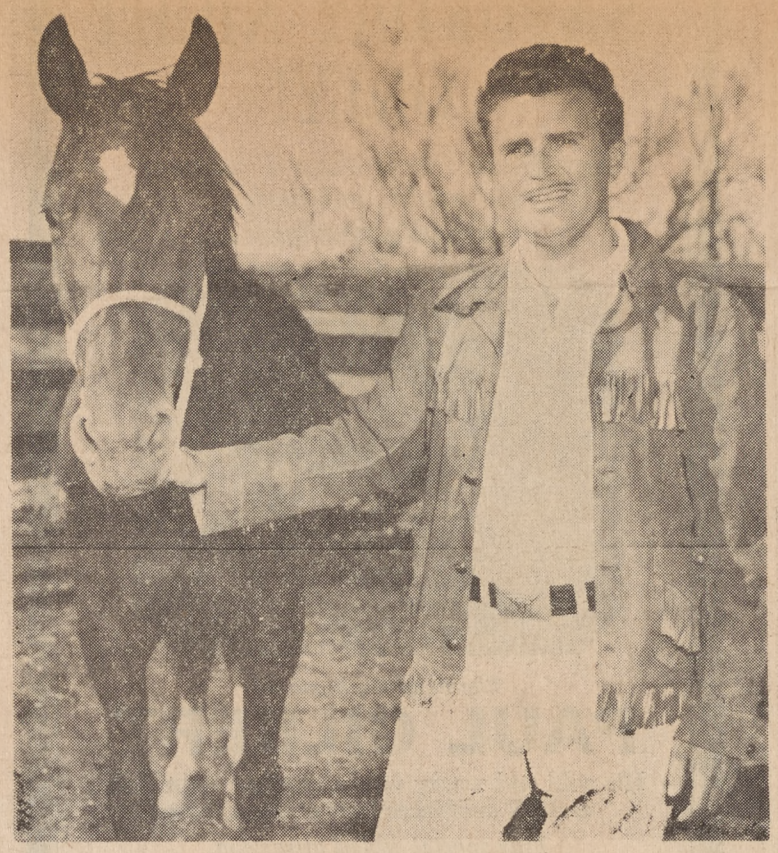
The ASB of Coronado High School elected Raul Perez as their new student body president, after a week of campaigning. Raul is the son of Cdr. and Mrs. R. H. Perez, 464 C avenue.

Raul was one of four candidates running for the presidency and after the preliminaries went on to win the final round in a run off with Monk Waite.

Raul, a varsity football letterman and outfielder on the varsity baseball team, is new to Coronado this year.

The rest of the ASB officers will be chosen this week. ,

AUG 1 1963



RAY BRANDES, former Coronado High School student, is now a resident of Arizona and an expert on Arizona history. He has received state and national recognition on his historical profession and hobby.

Society Names Director For Serra Museum

Ray Brandes, an archaeologist and state historian of Arizona, has been appointed director of the Serra Historical Museum in San Diego.

Brandes

The San Diego Historical Society, which operates the museum in Presidio Park, announced yesterday that Brandes will come here in May from Tucson. He will succeed James Reading, who has been acting director of the museum since the resignation of Gerald F. MacMullen.

Brandes, 39, a native of Coronado, has been assistant director and historian of the Arizona Pioneers Historical Society in Tucson, which is the state historical society of Arizona.

WELL QUALIFIED

Mrs. Lester Wittenberg, president of the San Diego society, said Brandes is "especially qualified for the position by his San Diego background and his high standing as an historian and museum curator."

Brandes holds a bachelor's degree in archaeology from the University of Arizona and is scheduled to receive a doctorate in history in May. He has concentrated his work on the American West and the Spanish borderlands.

ON STATE BOARDS

He is a member of the Arizona governor's historical advisory committee and landmarks committee, and is on the board of the New Mexico Historical Records Commission. He has been executive director of the Committee for the Preservation and Restoration of Historic Sites in Arizona.

Brandes has been with the Arizona Pioneers Historical Society since 1959, serving as museum curator and curator of collections before becoming assistant director and historian. 4/11/64

AT S.D. SOCIETY'S MEETING

Arizona Historian To Talk

Should a historical society merely be a showcase of curiosities or be a vital link between the past and present of a community?

That is the area Ray Brandes, assistant director and historian of the Arizona Pioneers Historical Society, will explore in a talk before the San Diego Historical Society at its annual meeting this month.

PARK MEETING

Brandes, archeologist, historian and curator, will address the society at 7 p.m. Feb. 16 in the House of Hospitality in Balboa Park.

A native of San Diego, Brandes has devoted his life to the history and archeology of the West. His articles, based on wide research, have been major contributions to historical journals in the western states, principally Arizona.

Members of the local society can make reservations for the dinner meeting through Mrs. Kenneth J. MacDonald, 3958 Pringle St.

Brandes is a member of Arizona governor's historical advisory and landmarks committees and the New Mexico Historical Records Commission board. He also is Arizona chairman of awards for the American Association for State and Local History and executive director of the Committee for the Preservation and Restoration of Historic Sites in Arizona.

RAY BRANDES
. . . archeologist, curator

OTHER GROUPS

In addition he is a member of the Western History Association, the Westerners Corral Tucson, the Western Writers of America, the Nevada Historical Society and the San Diego Historical Society.

In 1959 Brandes was offered the position of assistant curator for the Arizona Pioneers Historical Society, which is the state historical society of Arizona. Since then he has been successively promoted to museum curator, curator of collections, historian and his present position of assistant director and historian.

He received his bachelor's degree from the University of Arizona in archaeology with a minor in history. He is scheduled to receive his master's degree in May in history with a minor in archeology. His work has emphasized the American West and the Spanish borderlands.

THE FRESNO BEE

FRESNO, CALIFORNIA

July 18, 1963

Dear Betty Gene and Shelby,

First of all, Yes, we are coming to Coronado this summer. My mother will have our boys for three weeks in August, and Pem and I plan on being there during their last week, August 18th to 24th.

I had two weeks planned in tandem, but my youngest reporter quits tomorrow to go back to the State of Washington as a Publ. Rel. man. So...I am on a recruiting haul to find a new hand for my own office, plus one each for our Modesto and Sacramento farm staffs (or would the plural be staves?) Hen's teeth are a glut on the market compared with qualified young farm reporters.

Have no reports on fellow grads, although we had a visit from Stewart Brown last year. He is still in the L.A. area...Sherman Oaks, I believe.

As for me, I am still trying to stay under 200 lbs. and my acceptance in the Wine and Food Society here has not made it any easier. It has made me even more of an amateur chef and wine collector.

Congratulations on the third generation. We are safe for a while. But our Brooks tops me by 2½ inches and is just 14 years old now.

I think informal gatherings during the summer would be fun, but any reunion on a full scale would be premature before the 25th anniv.

Cordially yours,

Leo Dollar

Dear Betty Jean:

I have your little note of July 10th--I've meant to answer it so many times but am pretty busy. I take my final exams for my doctorate in several weeks and this has kept my head down in books a great deal.

You asked several questions. My new address is Route 9, Box 458F, Tucson. I have four children now: Elena María, Elisa Anne, Laura Raquel, and Ramón Antonio. My wife's name is Irma Dolores Montijo Brandes. Yes, I've written a number of articles, several of which appeared in Arizona Highways. But no new books--just the two I previously mentioned.

I have no news whatsoever of any of our classmates--I hope sincerely that you have been able to track down some of the others who were "lost" in the last mimeographed sheet you sent out. I do hope very much that you will be able to put another similar letter with addresses soon. I want to correspond with some who have probably moved around. I will be very much interested in another reunion--I feel sure I could get over if it were next summer.

Brandes, 39, a native of Coronado, has been assistant director and historian of the Arizona Pioneers Historical Society in Tucson, which is the state historical society of Arizona.

WELL QUALIFIED

Mrs. Lester Wittenberg, president of the San Diego society, said Brandes is "especially qualified for the position by his San Diego background and his high standing as an historian and museum curator."

Brandes holds a bachelor's degree in archaeology from the University of Arizona and is scheduled to receive a doctorate in history in May. He has concentrated his work on the American West and the Spanish borderlands.

ON STATE BOARDS

He is a member of the Arizona governor's historical advisory committee and landmarks committee, and is on the board of the New Mexico Historical Records Commission. He has been executive director of the Committee for the Preservation and Restoration of Historic Sites in Arizona.

Brandes has been with the Arizona Pioneers Historical Society since 1959, serving as museum curator and curator of collections before becoming assistant director and historian. 4/11/64

AT S.D. SOCIETY'S MEETING

Arizona Historian To Talk

Should a historical society merely be a showcase of curiosities or be a vital link between the past and present of a community?

That is the area Ray Brandes, assistant director and historian of the Arizona Pioneers Historical Society, will explore in a talk before the San Diego Historical Society at its annual meeting this month.

PARK MEETING

Brandes, archeologist, historian and curator, will address the society at 7 p.m. Feb. 16 in the House of Hospitality in Balboa Park.

A native of San Diego, Brandes has devoted his life to the history and archeology of the West. His articles, based on wide research, have been major contributions to historical journals in the western states, principally Arizona.

Members of the local society can make reservations for the dinner meeting through Mrs. Kenneth J. MacDonald, 3958 Pringle St.

Brandes is a member of Arizona governor's historical advisory and landmarks committees and the New Mexico Historical Records Commission board. He also is Arizona chairman of awards for the American Association for State and Local History and executive director of the Committee for the Preservation and Restoration of Historic Sites in Arizona.

RAY BRANDES
. . . archeologist, curator

OTHER GROUPS

In addition he is a member of the Western History Association, the Westerners Corral Tucson, the Western Writers of America, the Nevada Historical Society and the San Diego Historical Society.

In 1959 Brandes was offered the position of assistant curator for the Arizona Pioneers Historical Society, which is the state historical society of Arizona. Since then he has been successively promoted to museum curator, curator of collections, historian and his present position of assistant director and historian.

He received his bachelor's degree from the University of Arizona in archaeology with a minor in history. He is scheduled to receive his master's degree in May in history with a minor in archeology. His work has emphasized the American West and the Spanish borderlands.

New Museum Chief Arrives, Tells Of Plans

The new director of the Serra Historical Museum arrived here yesterday with a "briefcase full" of new ideas and a prediction that the museum will be internationally known within five years.

Ray Brandes, 39, former assistant director of the Arizona Pioneer Historical Society, arrived from Tucson with his wife, Irma, and three of their four children.

Greeting the family as they stepped off a plane at Lindbergh Field during a light rain were Mrs. Elvira Wittenberg, president of the San Diego Historical Society, and Richard Pourade, editor emeritus of The San Diego Union and vice president of the society.

Museum directors met Mr. and Mrs. Brandes at a reception in the University Club.

"I've come with a whole briefcase full of ideas," Brandes told a reporter. "I am convinced that within three years we can make the society the best historical group in California. I believe that within five years, we can achieve national and international recognition."

The society operates the museum.

Brandes has been with the Arizona society since 1959, serving as museum curator, curator of collections and finally historian and assistant director.

He succeeds James Reading, who has been acting director of the museum since the resignation of Gerald F. MacMullen.

Brandes said he hopes to:

1. Improve the museum library and enlarge the staff with "some of the most talented people available."

2. Plans to drastically increase emphasis on the Mexican-Spanish period in San Diego history and dramatize it at the museum with graphic arts, mannikins and artifacts.

3. Encourage use of the museum by area college students and "work closely with local universities."

4. Encourage and aid television enterprises in filming historical-educational features for national broadcast.

5. Step up the museum program to more aggressively seek archival material such as family and business records and diaries.

"One of the things I am most impressed with is that the board of directors is interested in professionalism, academic scholarship and talent in the museum development," Brandes said.

In June, Brandes is to receive a doctorate degree in western continental history from the University of Arizona. He holds a bachelor's degree in archaeology from the same school.

He was historical consultant for two recent television film features, "Western Man—1898," and "Discovery '63." The latter was an account of

NEW DIRECTOR MOPS CLEAN

Serra Museum Chief Goes After Old Dirt

MAY 28, 1964

Whatever lies in store for the Serra Museum under its new director, it won't be a musty old place with cob webs and termites.

Ray Brandes, who took over as director of the museum in Presidio Park May 6, has pitched in with both hands to give the museum a clean-up and polish job.

"I'm more interested in the museum program, of course, but this job couldn't wait," said Brandes yesterday, mop in hand.

He also enlisted his administrative assistant, Stan Gurney, and the museum's graphic arts man, Jack Schlichting, in the non-academic work corps.

"We could have hired someone to do the job, but we would have had to wait until the new fiscal year begins," Brandes said.

The director and his staff have repainted the museum's curio shop, scrubbed down the tile floors throughout the main exhibit area, and spruced up some of the exhibits in preparation for a reception at the museum June 6.

Still to be carried out—by professionals—is an attack on the termites which have infested the museum building, erected in 1929 on the site of the first San Diego mission founded by Father Junipero Serra.

A furniture restorer has been employed to clean up some of the Spanish colonial furniture in the museum's collection. This will be incorporated into a special display—a typical California room of the colonial period—to be mounted in the center of the main room.

Brandes said he is anxious to put the physical plant of the museum in shape so he can start working on projects to make the museum a more familiar and accessible place for San Diegans.

FOR 30-DAY RUN

New Exhibit Open At Serra Museum

By GENE INGLE

Walk into Father Junipero Serra Museum in Presidio Park these days and you find yourself in the living room of a typical California house nearly 200 years ago.

The re-creation of a colonial room from the Spanish California period (1769-1823) is the first of a series of month-long exhibits planned by the museum's new director, Dr. Raymond Brandes. Emphasis in many of the projected exhibits is expected to be on Spanish California.

The San Diego Historical Society operates the museum for the city. Five groups have been honored for their assistance. They are the Historical Shrine Foundation, the Junior League of San Diego, the Native Daughters of the Golden West, the Native Sons of the Golden West and the Pan-American League of San Diego.

The colonial room of Spanish California, which will be exhibited for 30 days in the museum's Main Hall, features nine major pieces of furniture from the period. The furniture has been owned by the society since 1929. It has been exhibited periodically as single pieces but has never been exhibited as a group, a museum spokesman said.

The nine pieces of furniture were purchased in Spain in 1929 by Ross Thiele, La Jolla interior decorator. He had been commissioned by George W. Marston, who was responsible for the founding of Serra Museum.

The nine pieces are: an 18th century olive wood table; an 18th century hand-carved soft wood bench; a 17th century Spanish oak chest; a set of three 17th century Catalonian chairs; a brass-studded Castillian Brasero, which is akin to a modern-day coffee table; a 17th century desk chair from Aragon; a 15th century Varqueno desk from Toledo, Spain; an 18th century rawhide trunk, and an Indian-woven goat-hair rug.

The furniture is complemented by Indian pottery and other minor furniture of the period and by two religous statues lent for the exhibit by Mrs. Dolores de Terrazas and family of San Diego, and Mr. and Mrs. Albert Pepi of San Diego.

The exhibit was designed and coordinated by Jack Schlichting, who recently joined the museum's staff as director of graphic arts. He formerly was with the Kearny Inn, a historical landmark, restaurant and museum at Tucson, Ariz.

12 September 1963

Dear Gene,

Received your letter when we returned from cruise so will bring you back up on the Brittains. Were moved again: Box 784, RFD 3, Glenwoods, Gales Ferry, Conn. Still have the same family - Sue and 4 young red-heads: Tommy (11), Billy (9), Bruce (6) and Bryan (3). I have a new job though, as I completed the "Rickover Academy" in February 1962 and have been Commanding Officer of Seawolf since that time. This is our second nuclear submarine and this has been a magnificent tour of duty for me. I have orders now to the Casimir Pulaski (SSBN 633), a Polaris submarine building here at New London, Conn. I expect to leave Seawolf in December and, after about 4 months of missile and tactical schooling, will come back here to see Pulaski finished and take

FOR 30-DAY RUN

New Exhibit Open At Serra Museum

By GENE INGLE

Walk into Father Junipero Serra Museum in Presidio Park these days and you find yourself in the living room of a typical California house nearly 200 years ago.

The re-creation of a colonial room from the Spanish California period (1769-1823) is the first of a series of month-long exhibits planned by the museum's new director, Dr. Raymond Brandes. Emphasis in many of the projected exhibits is expected to be on Spanish California.

The San Diego Historical Society operates the museum for the city. Five groups have been honored for their assistance. They are the Historical Shrine Foundation, the Junior League of San Diego, the Native Daughters of the Golden West, the Native Sons of the Golden West and the Pan-American League of San Diego.

The colonial room of Spanish California, which will be exhibited for 30 days in the museum's Main Hall, features nine major pieces of furniture from the period. The furniture has been owned by the society since 1929. It has been exhibited periodically as single pieces but has never been exhibited as a group, a museum spokesman said.

The nine pieces of furniture were purchased in Spain in 1929 by Ross Thiele, La Jolla interior decorator. He had been commissioned by George W. Marston, who was responsible for the founding of Serra Museum.

The nine pieces are: an 18th century olive wood table; an 18th century hand-carved soft wood bench; a 17th century Spanish oak chest; a set of three 17th century Catalonian chairs; a brass-studded Castillian Brasero, which is akin to a modern-day coffee table; a 17th century desk chair from Aragon; a 15th century Varqueno desk from Toledo, Spain; an 18th century rawhide trunk, and an Indian-woven goat-hair rug.

The furniture is complemented by Indian pottery and other minor furniture of the period and by two religous statues lent for the exhibit by Mrs. Dolores de Terrazas and family of San Diego, and Mr. and Mrs. Albert Pepi of San Diego.

The exhibit was designed and coordinated by Jack Schlichting, who recently joined the museum's staff as director of graphic arts. He formerly was with the Kearny Inn, a historical landmark, restaurant and museum at Tucson, Ariz.

'Ramona' Key Player Set

3/15/64

A native San Diegan again will play the major supporting role in the 1964 production of the Ramona play at Hemet this spring.

She is Fanchon Acosta Jennings, a 1947 graduate of San Diego State, who has been seen as "Senora Moreno," the matriarch of Rancho Camulos, each season since 1956.

Mrs. Jennings is the daughter of Mrs. Neva I. Acosta 3835 Acacia Ave., San Diego. She is a graduate of Coronado High School and is a niece of the late Bert Acosta, famed aviator and personal pilot for Adm. Richard Byrd.

Leading roles in the outdoor pageant of early California Indian and Spanish ranch life again will be taken this season by Marcia Moode, playing the title role, and Maurice Jara, to be seen as her Indian lover, Allessandro.

MAY 7, 1964

DR. HENRY G. WESTON, Jr. has been promoted to full professorship in the Life Science Department at San Jose State College. The son of Mr. and Mrs. Henry G. Weston, 476 C avenue, graduated from the Coronado High School, received his B.A. degree from San Diego State College, M.A. from University of California, Berkeley, and PhD. from Iowa State College, Ames Iowa.

MAY 3 THURS, 1966

Miss Drewisch Rites Planned; Ex-Teacher

The Rosary for Miss Josephine Drewisch, 83, of 815 D Ave., Coronado, a retired school teacher who lived in this area 80 years, will be recited at 7:30 tonight in Sacred Heart Catholic Church in Coronado. She died Tuesday in a hospital.

Miss Drewisch

A Requiem Mass will be said at 9 a.m. tomorrow in the church. Burial will be in Holy Cross Cemetery.

Miss Drewisch, born in Illinois, was the daughter of Mr. and Mrs. Frederick Drewisch. She retired in 1947 after teaching 40 years in Coronado elementary schools and then in the junior high school there.

Miss Drewisch was a member of the Retired Teachers Association and the Third Order of St. Francis. There is no immediate survivor.

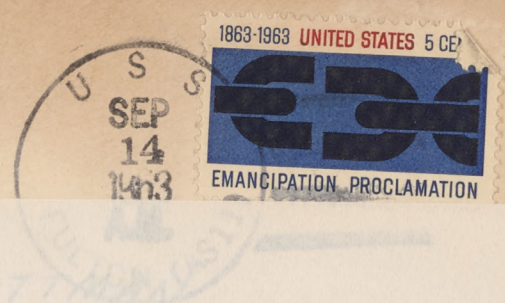
GALES FERRY, CONN.



command of her Gold Crew. Shell probably be based in Pearl Harbor when she's finished in the building yard so that move is 14 to 16 months in the offing. Needless to say, I'm happy to be getting a third submarine command (I had Trumpetfish in 1960-61) and wonder how long my good fortune can last.

Thats about the news except, perhaps, that I did get promoted to Commander last year, a significant event for me. I've seen no one from CHS except Fred Berry some 2 years ago in Washington. I'm really not very apt to up here in Eastern Conn. I was pleased to hear about the CHS '41 reunion and think that they are grand ideas. Cannot guarantee my presence but I'll try to attend any of them you have if I'm in that area.

Thanks for the letter and my best to any classmates you should see

Sincerely,
Tom Brittain

Services Planned For Fred A. Boyer

Masonic services will be at 2 p.m. today in Cypress View Mortuary for Fred A. Boyer, 77, a retired educator and veteran of more than 30 years on the county Board of Education. He died in his home, 525 Spruce St., Wednesday after a heart attack.

Boyer

Entombment will be at Cypress View Mausoleum.

Boyer retired in 1956 from the Board of Education, ending a tenure that began in 1919. He served two one-year terms as president of the board.

He came to California in 1913 and for five years was a teacher and school administrator in National City, Lemon Grove and Escondido.

In 1918 Boyer moved to Coronado to become superintendent of the elementary school district. When the district was consolidated in 1936, he became assistant superintendent of the Coronado Unified School District, a post he held until his retirement in 1943.

A native of Missouri who grew up in Texas and Oklahoma, Boyer studied at the University of Oklahoma at Norman and at Central State College, Edmond, Okla. Later he attended San Diego Normal College (now San Diego State) and received a master's degree from Claremont Graduate School.

Boyer served on the state council of the California Teachers' Association. He was a member of Phi Delta Kappa and the Administrators Association.

Boyer's Masonic affiliations included membership in Chapter 61, RAM, Commandery 25, KT, and Council 23, R and SM He was a member of Mission Hills Congregational Church.

Survivors are his widow, Goldie; three sons, including Fred C. Boyer of San Diego; a daughter, Mrs. Garrison Brown of San Diego, and a sister.

Oct. 14 '65

Mrs. Clara Cutler Services Planned

Mrs. Clara Bell Cutler, 88, of 827 Eucalyptus St., Vista, a school teacher in Coronado for 32 years, died yesterday in a rest home after a long illness.

A native of Addison, Mich. Mrs. Cutler was a San Diego County resident 51 years. She was graduated from the University of Michigan, where she was affiliated with Delta Gamma sorority. She also was affiliated with the Academy of Dramatic Arts in New York.

Mrs. Cutler taught school in Coronado from 1920 until her retirement in 1952. Her husband, James was principal of Coronado High School from 1920 to 1936.

In 1936, Cutler became superintendent of schools in Coronado, a position he held until his death in 1943.

Mrs. Cutler is survived by a daughter, Mrs. Sarah Ann Fletcher of Vista; two grandchildren, and four great-grandchildren.

Private services will be at 2:30 p.m. today in Vista Mortuary. Cremation is planned in Eternal Hills Cemetery.

Collection Of Coins Left To La Mesan

Mrs. Diane Claire Sharp Hamren of La Mesa will soon receive 31,050 half-dollars, specially minted for the 1935-36 California-Pacific Exposition in San Diego.

The late Thomas E. Sharp, financier and philanthropist, specified in his will that the coins be turned over to Mrs. Hamren, his granddaughter, when she reached 21.

Mrs. Hamren, who lives at 8524 Chevy Chase Drive, La Mesa, observed her 21st birthday Tuesday.

VALUED AT $500,000

The commemorative half-dollars are valued at almost $500,000 on the retail market, Lyle Clark, an Escondido coin dealer said. He said coin catalogues carry their value at $16 each.

However, if all the coins were thrown on the market for sale at one time, it would kill the market, Clark said. He said he would not pay more than $1 per coin if they were all offered for sale at once.

The 31,050 represents about one-third of the 100,000 coins minted for the exposition.

Clark said he is interested in purchasing the coins and has contacted attorneys for the estate and Mrs. Hamren. They indicated Mrs. Hamren is not interested in retaining the coins for a coin collection, he added.

HEIR NOT AVAILABLE

Mrs. Hamren was unavailable for comment.

Sharp, a rancher and pioneer in the broadcasting industry, died Nov. 29, 1959 in Donald N. Sharp Memorial Community Hospital which he endowed to perpetuate the name of his only son. He was 69.

Donald Sharp's daugher and only child, Diane, was named as a principal beneficiary of her grandfather's multimillion dollar estate.

The financier's son, Lt. Donald N. Sharp, a bombardier pilot, was lost over Germnay on Dec. 23, 1944. Diane, whose mother, Mrs. Claire B. Cook, also lives in La Mesa, married David Hamren in 1962.

Swan Services Slated; Builder, Retired Teacher

1/23/66

Harold A. Swan, a rancher, builder, developer, inventor and teacher in San Diego County, died Friday in a hospital. He was a 51-year resident of Coronado.

Swan

He taught in the Coronado Unified School District for 41 years, and contracted to build homes, the Village Apartments and the Crown City Motel.

He also operated a 12½-acre citrus ranch east of Escondido for many years, and had registered patents on inventions such as a sanding machine, a hose nozzle and a refuse container. He had a patent pending on an electric razor.

Swan was a member of the Coronado Chamber of Commerce, Coronado Art Association, Coronado Community Concert Association and the Los Alegres Club of San Diego.

He was born in Galesburg, Ill., and was graduated from Bradley University, then called Bradley Polytechnic Institute. He was a member of the Bradley National Alumni Association. He later took courses at Santa Barbara State College, now University of California at Santa Barbara.

CAME HERE IN 1914

Swan first taught school at La Salle, Ill., high school, and in 1914 came to Coronado. He taught in the junior and senior high schools and the system's adult education department.

He organized the manual arts department for the Coronado schools and taught manual arts and mechanical drawing for all of his career. He and his students designed and constructed a study hall building at the high school in the early years.

During World War I, Swan donated his contracting abilities to the Red Cross and he and his classes built many articles for use by the organization. During World War II, he worked at night and on weekends as a model maker at Consolidated Vultee Aircraft Corp., now General Dynamics-Convair.

AWARD PRESENTED

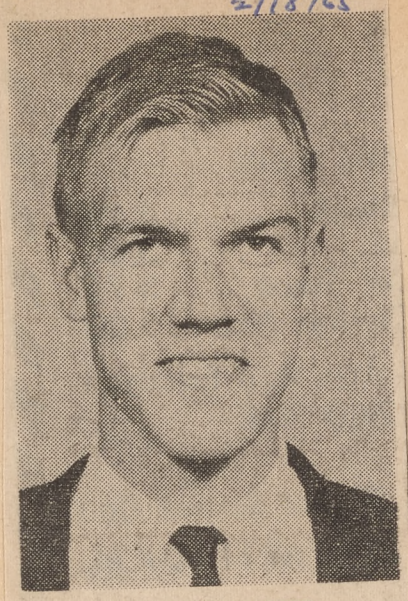
When he retired from the Coronado school system in 1955, he received an award for meritorious service from the Coronado Teachers Association.

Services will be at 2:30 p.m. Tuesday at Johnson, Saum & Knobel Mortuary, with entombment in the Pasadena Mausoleum.

Surviving are his widow, Elizabeth, and two brothers.

Craig Callister in East Africa with Peace Corps

2/18/65



CRAIG CALLISTER

Craig Callister, son of Mr. and Mrs. T. H. Callister, 1143 Alameda Blvd., is one of the Peace Corps Volunteers who left January 23 for Tanzania, East Africa (formerly Tanganyika). They will teach in secondary schools, joining approximately 300 volunteers presently serving there in agricultural extension, elementary and secondary education, health and public works.

Tanzania, the new name given in October of 1964 to the United Republic of Tanganyika and Zanzibar, has had independence from Britain only since 1961. President Nyerere has put a high priority in his five year plan on education, to produce capable future leaders.

These Peace Corps Volunteers will teach English, math, science, history, geography, home economics, music and art. English is the language of instruction.

The group trained for 10 weeks at Syracuse University, Syracuse, N.Y. They studied the history, culture and geography of Tanzania, United States history, world affairs, and Swahili—the lingua franca of East Africa. They also received intensive instruction and practice in teaching skills.

Commander Listed 'Lost At Sea'

Cmdr. Joseph F. Bolger, 40, was listed "lost at sea in the line of duty" by the Navy yesterday after an air and sea search failed to find his jet fighter, which skidded off the carrier Oriskany (CVA34) into the sea.

The search was conducted Friday and called off at sundown.

Bolger's F3B Demon crashed while landing on the deck of the carrier Thursday night and slid across the flight deck into the sea. The Navy had no details on the cause of the crash.

Bolger commanded Fighter Squadron 161 at Miramar Naval Air Station here. His wife, Cally, and their four children, Candy, 16; Peggy, 14; Buzz, 9, and Tim, 7, live at 4891 Kensington Drive.

Bolger was graduated from the Naval Academy in 1944 and became a naval aviator in 1947.

He was a Navy test pilot at Patuxent River, Md., from 1957 to 1960.

July 14, 1963

Fighter Skids Off Oriskany; Pilot Missing

A Navy jet fighter crashed and skidded off the deck of the carrier Oriskany (CVASY) 75 west of San Diego and a daylong search yesterday fail to turn up a trace of the pilot.

Bolger

Missing was Cmdr. Joseph F. Bolger, 40, commander of Fighter Squadron 161, based at Miramar Naval Air Station.

A Navy announcement said Bolger had been missing since midnight Thursday, when his F3B Demon plunged into the sea off the flight deck.

Lifeboats were lowered from the carrier and the destroyer King (DLG 10). Coast

(Continued on a-18, Col. 4)

Fighter Skids Off Oriskany; Pilot Missing

(Continued from a-17)

Guard planes from San Diego dropped flares over a wide area to help the search before dawn.

During the day, two fixed-wing planes and two helicopters searched over the area.

Details of the crash were not received immediately in San Diego. The Oriskany reported that Bolger's slip crashed during a carrier landing and failed to be stopped by the arresting cables on the flight deck, slipping over the side into the water.

Bolger, a native of Adams, Mass., lived at 4891 Kensington Drive with his wife, Cally, and their four children, Candy, 16, Peggy, 14, Buzz, 9, and Tim, 7.

He was the son of Vice Adm. J. F. Bolger, USN, ret., who is a vice president of the Grumman Aircraft Co. in New York.

The younger Bolger was graduated from the Naval Academy in 1944 and became a naval aviator in 1947. He received a master's degree in aeronautical engineering from Massachusetts Institute of Technology in 1953.

He was a Navy test pilot at Patuxent River, Md., from 1957 to 1960 and was in the commissioning crew of the carrier Kitty Hawk (CVA63) in 1961.

After refresher training as a fighter pilot, Bolger became executive officer of Squadron 161 in April 1962 and commander of the squadron in December.

STRAWS IN THE WIND

Europe Will Be Colorful Campus This Summer

By EILEEN JACKSON

Europe becomes an international campus in summer with the student body on the move. Although no study "Credit" is given many of the vacationing students by college and universities "back home," few would deny that these roving students on holiday learn a lot academically from their carefree travels.

Eileen Jackson

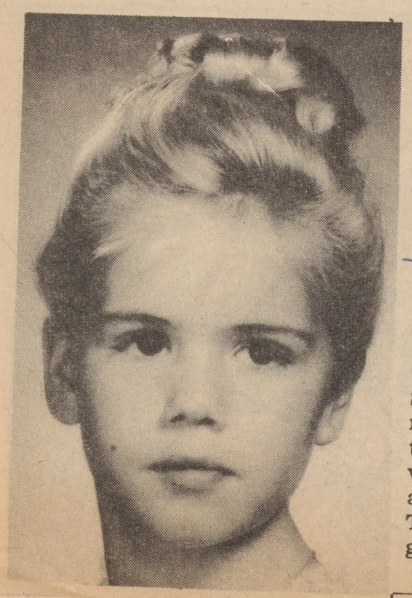
Two attractive young collegians, Miss Polly Boulton Hazard, daughter of Mr. and Mrs. Bruce R. Hazard of San Diego, who studies at California Western, and Miss Diana Preston, daughter of Mr. and Mrs. Ord Preston Jr. of La Jolla, who studies at San Diego State, will tour a number of European capitals during their one-month holiday. They will travel with Mrs. Robert C. Diefenbach (Mary-Stuart Montague Price), founder and general chairman of the Gran Baile de Madrid. Highlight of the trip will be the American Debutante Gran Baile de Madrid on July 10. The Gran Baile currently is being arranged by a committee of titled leaders of Madrid society headed by the Prince and Princess de Hohenlohe.

Mrs. Diefenbach, formerly of Coronado, has made arrangements for the girls and their chaperones to be entertained by American ambassadors and their wives in a number of the European capitals. Mrs. Diefenbach is the daughter of the late Capt. Allen Ingram Price, USN, who was stationed here from 1936 to 1939.

The group will leave New York City June 23. Miss Hazard will fly on June 21 to New York City. Miss Preston will leave for the East June 11 accompanied by her parents and her sister, Sarah. Mr. and Mrs. Preston and Sarah plan a Caribbean trip before returning to La Jolla July 10. The Prestons' son-in-law and daughter, the Robert Hagins of Los Angeles, and their small son, Ord, will occupy the Preston house during their absence.

Mrs. Mary Merritt MacConnel, daughter of Mr. and Mrs. Howard Merritt, and her son, Kim MacConnell, who is being graduated from Taber Academy, Mass., plan to spend the summer in the British Isles.

AUG 1, 1962



CHILD ACTRESS, HERE ON VACATION

Judy Erwin, child star of T.V. and movies, her mother, Nancy English Erwin and grandmother, Mrs. Evelyn English are vacationing at their former home here in Coronado.

Judy is currently appearing in "Hazel," the T.V. series starring Shirley Booth, as the little neighbor girl, "Mavis." She had to interrupt her vacation last week to return to Hollywood to appear in a segment of the new T.V. western series, "The Virginian."

A versatile actress, Judy has appeared in many television shows including "Rin Tin Tin," "Thriller," "Alfred Hitchcock Presents," "Robert Taylor's Detectives," "The Law and Mr. Jones," and "Oh Those Bells."

Her movie appearances include "Spartacus," "Errand Boy," and "The Greatest Gift," and soon to be released, Hitchcock's "The Birds."

'ACTING' IN FAMILY

Judy's acting talents seem to be inherited from her parents—her mother, Nancy English, graduate of Coronado High School and the Pasadena Playhouse, has appeared in numerous radio, stage, and television shows, including three years as the star of "The Drunkard" in Los Angeles.

Roy Erwin, Judy's father, was a well-known actor in writer for Columbia Pictures in Hollywood before his death in 1958.

Director Roesch: A Firm Hand

By REGINA MORIN

Smooth sailing in "Captain's Paradise," a comedy now at the Old Globe Theater in Balboa Park, is due in no small measure to the man behind the helm, director Bill Roesch.

Roesch (pronounced "rush") chalks up his first year as Globe associate director this month. If the waters haven't always been calm, at least the tall, personable director has been firm at the tiller.

Last January Roesch joined the theater staff as a director to help launch the Globe spring series at the Art Center in La Jolla. It was the first time that producing director Craig Noel had been joined by a full-time associate.

Roesch was Noel's personal choice to share the increased directorial load of operating two theaters. Roesch's first role at the Globe was in "Ladies in Retirement" for the 1947-48 season which marked Noel's inauguration as resident director of the theater.

That same season he played in "John Loves Mary." Earlier, he had been introduced to the Globe boards while a student at Coronado High School. With some amusement, Bill notes that the Globe never cast him in a sympathetic light after he played a murderer and an embezzler in at least two productions.

Last year, Roesch directed "Who Was That Lady I Saw You With?" at the Globe and "Night of the Auk" and "The American Dream" at Sherwood Hall. In addition, he made his first appearance on the Globe stage since playing a murderer in "Witness for the Prosecution."

As El Gallo in "The Fantasticks," Roesch revealed a pleasant, willowy singing voice that was a surprise to many.

Actually, for three years, Roesch did nothing but musical comedy with Berkeley's Straw Hat Theater, a group of University of California graduates who wrote, produced and acted their own original musical revues.

A RECORD FAN, Old Globe director Bill Roesch cranks handle on phonograph.

When the "Straw Hatters" were booked to play New England summer theaters under the aegis of the Theater Guild, Roesch drove the costume - packed pick-up truck which was part of their cross-country caravan.

"We didn't know it at the time," he says, "but we were driving a model that needed different rims for the tires we were using. Consequently, every day the truck blew a tire. It was very distressing."

Roesch claims he "retired" from theater after leaving the revues. Settling in his Coronado family home, Bill worked for local music stores where he could more easily pursue his long-standing passion for recordings.

The Roesch record collection began at least 20 years ago. It now includes about 3,000 discs of the all-but-extinct 78 rpm variety. Most of the recordings are of operatic voices and selections going back to the classic greats of Caruso. More recently, Roesch has become interested in collecting recordings of radio performances of the '30s and '40s. In addition, he has an expansive collection of taped operas and vocal recitals by stars such as Pinza, Flagstaff and Tibbett.

The collection literally was "ferried" to San Diego in innumberable trips from Coronado when Bill moved into his new home. Roesch converted a second bedroom into a music room and almost immediately filled three walls with recordings of great performances of the past.

Roesch's musical qualifications may be extended this year through the Art Center in La Jolla. Dan Lewis, conductor of the Sherwood Hall chamber orchestra, is considering Roesch as director for a small chamber opera to be performed on a limited scale with singers, costumes and orchestra.

Roesch, who has directed Opera Workshop singers at California Western University, feels that San Diego's opera interest can be greatly expanded.

"Even when other theatrical events were not drawing here because of the Cuban crisis, the Opera Guild season was a complete sell-out," he says.

Although Roesch had a goodly share of production crises last year with the inevitable last-minute drop-outs and cases of flu, measles and suspected mumps among the actors, the results, on the whole, were almost always satisfactory.

The job which Roesch considered his best was also his toughest—coordination and direction of the green festivities which preceed each performance of the summer Shakespeare festival. For the first time in festival history, Roesch devised four distinct entertainment programs. In but a few weeks, he had to prepare more than two dozen high school and junior college singers, dancers and actors. But Roesch considers the results rewarding.

"The green activities served as a teaser last summer for the performances," he notes. "People who hadn't considered going to the festival were drawn in by the pre-show. I'll be doing it again this year, but I know it will be hard to come up to the level we had last summer."

In an occupation where temper clashes are expected hazards, the cooperation and agreement between Noel and Roesch has definitely aided the Old Globe in the uneven process of an expanding theatrical program.

Most of the recordings are of operatic voices and selections going back to the classic greats of Caruso. More recently, Roesch has become interested in collecting recordings of radio performances of the '30s and '40s. In addition, he has an expansive collection of taped operas and vocal recitals by stars such as Pinza, Flagstaff and Tibbett.

The collection literally was "ferried" to San Diego in innumberable trips from Coronado when Bill moved into his new home. Roesch converted a second bedroom into a music room and almost immediately filled three walls with recordings of great performances of the past.

Roesch's musical qualifications may be extended this year through the Art Center in La Jolla. Dan Lewis, conductor of the Sherwood Hall chamber orchestra, is considering Roesch as director for a small chamber opera to be performed on a limited scale with singers, costumes and orchestra.

Roesch, who has directed Opera Workshop singers at California Western University, feels that San Diego's opera interest can be greatly expanded.

"Even when other theatrical events were not drawing here because of the Cuban crisis, the Opera Guild season was a complete sell-out," he says.

Although Roesch had a goodly share of production crises last year with the inevitable last-minute drop-outs and cases of flu, measles and suspected mumps among the actors, the results, on the whole, were almost always satisfactory.

The job which Roesch considered his best was also his toughest—coordination and direction of the green festivities which preceed each performance of the summer Shakespeare festival. For the first time in festival history, Roesch devised four distinct entertainment programs. In but a few weeks, he had to prepare more than two dozen high school and junior college singers, dancers and actors. But Roesch considers the results rewarding.

"The green activities served as a teaser last summer for the performances," he notes. "People who hadn't considered going to the festival were drawn in by the pre-show. I'll be doing it again this year, but I know it will be hard to come up to the level we had last summer."

In an occupation where temper clashes are expected hazards, the cooperation and agreement between Noel and Roesch has definitely aided the Old Globe in the uneven process of an expanding theatrical program.

C.H.S. reunion

Expenses for June 24, 1961 reunion

# 14.00	Before reunion (stamps envelopes, etc.)	
	AFTER reunion	
16.50	Paid to Don Bush To type 11 stencils for addresses.	
2.20	Stencils	
1.25	80 envelopes	
2.65	original pictures of reunion (for scrapbook)	
1.00	reprints for Fred Dickey in 1st Range for 20 yr. old pictures	
2.85	stamps	
1.05	Scrapbook, mounting corners	
2.00	mimeograph paper	
# 43.50

Director Roesch: A Firm Hand

By REGINA MORIN

Smooth sailing in "Captain's Paradise," a comedy now at the Old Globe Theater in Balboa Park, is due in no small measure to the man behind the helm, director Bill Roesch.

Roesch (pronounced "rush") chalks up his first year as Globe associate director this month. If the waters haven't always been calm, at least the tall, personable director has been firm at the tiller.

Last January Roesch joined the theater staff as a director to help launch the Globe spring series at the Art Center in La Jolla. It was the first time that producing director Craig Noel had been joined by a full-time associate.

Roesch was Noel's personal choice to share the increased directorial load of operating two theaters. Roesch's first role at the Globe was in "Ladies in Retirement" for the 1947-48 season which marked Noel's inauguration as resident director of the theater.

That same season he played in "John Loves Mary." Earlier, he had been introduced to the Globe boards while a student at Coronado High School. With some amusement, Bill notes that the Globe never cast him in a sympathetic light after he played a murderer and an embezzler in at least two productions.

Last year, Roesch directed "Who Was That Lady I Saw You With?" at the Globe and "Night of the Auk" and "The American Dream" at Sherwood Hall. In addition, he made his first appearance on the Globe stage since playing a murderer in "Witness for the Prosecution."

As El Gallo in "The Fantasticks," Roesch revealed a pleasant, willowy singing voice that was a surprise to many.

Actually, for three years, Roesch did nothing but musical comedy with Berkeley's Straw Hat Theater, a group of University of California graduates who wrote, produced and acted their own original musical revues.

A RECORD FAN, Old Globe director Bill Roesch cranks handle on phonograph.

When the "Straw Hatters" were booked to play New England summer theaters under the aegis of the Theater Guild, Roesch drove the costume - packed pick-up truck which was part of their cross-country caravan.

"We didn't know it at the time," he says, "but we were driving a model that needed different rims for the tires we were using. Consequently, every day the truck blew a tire. It was very distressing."

Roesch claims he "retired" from theater after leaving the revues. Settling in his Coronado family home, Bill worked for local music stores where he could more easily pursue his long-standing passion for recordings.

The Roesch record collection began at least 20 years ago. It now includes about 3,000 discs of the all-but-extinct 78 rpm variety. Most of the recordings are of operatic voices and selections going back to the classic greats of Caruso. More recently, Roesch has become interested in collecting recordings of radio performances of the '30s and '40s. In addition, he has an expansive collection of taped operas and vocal recitals by stars such as Pinza, Flagstaff and Tibbett.

The collection literally was "ferried" to San Diego in innumberable trips from Coronado when Bill moved into his new home. Roesch converted a second bedroom into a music room and almost immediately filled three walls with recordings of great performances of the past.

Roesch's musical qualifications may be extended this year through the Art Center in La Jolla. Dan Lewis, conductor of the Sherwood Hall chamber orchestra, is considering Roesch as director for a small chamber opera to be performed on a limited scale with singers, costumes and orchestra.

Roesch, who has directed Opera Workshop singers at California Western University, feels that San Diego's opera interest can be greatly expanded.

"Even when other theatrical events were not drawing here because of the Cuban crisis, the Opera Guild season was a complete sell-out," he says.

Although Roesch had a goodly share of production crises last year with the inevitable last-minute drop-outs and cases of flu, measles and suspected mumps among the actors, the results, on the whole, were almost always satisfactory.

The job which Roesch considered his best was also his toughest—coordination and direction of the green festivities which preceed each performance of the summer Shakespeare festival. For the first time in festival history, Roesch devised four distinct entertainment programs. In but a few weeks, he had to prepare more than two dozen high school and junior college singers, dancers and actors. But Roesch considers the results rewarding.
